Don't mistake a map Flattened to a projection The world spins on end	The taiga rises Green and dun past gray and white Receding snow lines	Deny Sun of man — Hasn't Earth had ice ages? Why not for fire?	We raised Atlantis Reality from fiction Dives absurd ab ovo	His plane departs north Bermuda claims another Day in paradise	I only regret Ugly outgrown outfits kept In stuffed closets	Tandem synapses Strobe in unknown sequence Or so we have thought
